

INJAMAMUL HAK

FRONTEND DEVELOPER

I'm a junior developer from Chennai who is primarily interested in creating games and websites right now. My main goal is to create websites that are user-friendly, attractive, and responsive by using frameworks and library.

CAREER OBJECTIVES

I am a Computer Science graduate with a penchant for design. I am passionate about enhancing user experience and maximizing user interface.

SKILLS

- **HTML**
- **CSS**
- **JAVASCRIPT**
- **REACT**
- **GIT & GITHUB**

ABOUT

Hello ! You'll just call me Zamam (Injamamul Hak). I adore producing content for the internet. When I decided to try editing in Photoshop in 2020, it led to me learning some OOPs programming idea languages like C++, Python, and Java during my university study. From there, I made the decision to begin my career in web development.
